KING
MASONRY YARD LTD.

Waking your designs from dreams to reality.

With over 100 years of combined experience, King Masonry Yard's expertise and dedication has led us to a reputation as being a leader in the industry. We offer the highest quality selection of brick, natural and manufactured stone, siding, pavers and flagstone, and exterior building accessories. Whether you are finally building your dream home, dream project, or a commercial building, the possibilities of our products are endless.

Natural.

Contemporary Design.
With timeless material.

Turning stone

into brick.

Check out our website for the full details about this project, from materials used to design choices and the process.

Photo credit - builder: JM Butler Construction

Algonquin Modern Lay.

Elongated stone with shallow heights. Aesthetically unique, enhancing the look of modern projects.

What has previously been only accessible from Europe and in Clay, now sourced locally and in everlasting Natural Stone.

Sleek.
Linear.
Exclusive.

Custom Cuts.

Custom fit for your design.
Piece by piece.

Antique.

Clay bricks can achieve a beautiful rustic look, or add aged charm to your contemporary design with handmade bricks, tumbled bricks, and an array of masonry joints.
